Members should refer to the explanatory notes that accompany this notice

1. A member who is entitled to attend, speak and vote may appoint a proxy to attend, speak and vote instead of him. A proxy need not also be a member of the Company but must attend the AGM in order to represent you. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares (so a member must have more than one share to be able to appoint more than one proxy). A form of proxy is enclosed. The notes to the form of proxy include instructions on how to appoint the Chairman of the AGM or another person as proxy.
2. The following documents are available for inspection at the registered office of the Company during the usual business hours on any weekday (Saturday, Sunday or public holidays excluded) from the date of this notice until the conclusion of the AGM and will also be available for inspection at the place of the AGM from 11.45 a.m. on the day of the AGM until its conclusion:
 - (a) copies of the executive directors' service contracts with the Company and letters of appointment of the non-executive directors; and
 - (b) the register of directors' interests in the capital of the Company.
3. The Company pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders registered in the register of members of the Company at 6.00 p.m. on Tuesday 13 November 2018 (or if the AGM is adjourned, two days before the time fixed for the adjourned AGM) shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at that time. Any changes to the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the AGM.
4. As at 18 October 2018 (being the last business day prior to the publication of this Notice), the Company's issued share capital consists of 17,135,542 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 18 October 2018 are 17,135,542.
5. If you wish to attend the AGM in person, you should arrive at the meeting venue in good time before the meeting, bringing proof of ID (such as a driving licence or passport).
6. In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.
7. A member that is a company or other organisation not having a physical presence cannot attend in person but can appoint someone to represent it. This can be done in one of two ways: Either by the appointment of a proxy (described in Note 1 above) or of a corporate representative. Members considering the appointment of a corporate representative should check their own legal position, the Company's articles of association and the relevant provision of the Act.
8. The meeting venue is within a factory environment, and as a consequence we

would suggest that it is not appropriate to bring young children. There will be no crèche facilities at the meeting

Explanatory notes to the resolutions as proposed at the 2018 Annual General Meeting:

Ordinary Business:

Resolution 1 (Annual accounts and reports)

The directors present the accounts, directors' report and auditors' report to the shareholders at the AGM.

Resolution 2 (Final dividend)

This resolution concerns the Company's final dividend payment. A final dividend can only be paid after the shareholders at a general meeting have approved it. The directors are recommending a final dividend of 4.2p per ordinary share in respect of the year ended June 2018 which, if approved, will be payable on 7 December 2018 to the shareholders who are on the register on 16 November 2018.

Resolution 3 and 4 (Re-election of directors)

In accordance with the provisions of the Company's articles of association regarding the retirement of directors by rotation every third Annual General Meeting, Mr R S McDowell and Mr B M Hynes are submitting themselves for re-election under resolution 3 and 4.

Biographical details of all the directors can be found on page 28 of the report and accounts.

Resolutions 5 and 6 (Auditors' remuneration and appointment)

Shareholders are required to authorise the directors to fix the auditors' remuneration and also to appoint auditors at each general meeting at which accounts are presented. Resolution 5 authorises the directors to set the auditors' remuneration and Resolution 6 proposes the re-appointment of Grant Thornton UK LLP as auditors.

Special Business:

Resolution 7 (Directors' power to allot securities)

This resolution grants the directors authority to allot shares in the capital of the Company up to an aggregate nominal value of £282,810, representing approximately one-third of the nominal value of the issued ordinary share capital of the Company as at the date of this notice.

Unless renewed, revoked, varied or extended, this authority will expire at the conclusion of the Annual General Meeting of the Company to be held in 2019.

The directors consider it desirable that the specified amount of authorised but

unissued share capital is available for issue so that they can more readily take advantage of possible opportunities.

Resolutions 8 and 9 (Disapplication of pre-emption rights)

Resolution 8 authorises the directors in certain circumstances to allot equity securities for cash other than in accordance with the statutory pre-emption rights (which require a company to offer all allotments for cash first to existing shareholders in proportion to their holdings). The relevant circumstances are where the allotment:

- takes place in connection with a rights issue or other pre-emptive issue;
- is limited to a maximum nominal amount of £42,850 representing approximately 5% of the nominal value of the issued ordinary share capital of the Company as at the date of this notice.

Resolution 9 authorises the directors to allot further equity securities for cash in connection with acquisitions or other specified capital investments which are announced contemporaneously with the allotment, or which has taken place in the preceding six- month period and is disclosed in the announcement of the allotment. This authority, which is being sought in accordance with the Pre-Emption Group's Statement of Principles, is limited to a maximum nominal amount of £42,850 which represents approximately 5% of the nominal value of the issued ordinary share capital of the Company as at the date of this notice. The combined effect of resolutions 8 and 9 is therefore that the directors be granted authority to allot shares up to a maximum nominal amount of not more than 10% of the nominal value of the issued ordinary share capital of the Company.

The Board confirms its intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three- year period where the Principles provide that usage in excess of 7.5% of issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to above.

The Company may hold any shares it buys back "in treasury" and then sell them at a later date for cash rather than simply cancelling them. Any such sales are required to be made on a pre-emptive, pro-rata basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the directors power to allot unissued ordinary shares on a non-pre-emptive basis, resolutions 8 and 9 will also give directors power to sell ordinary shares held in treasury on a non- pre-emptive basis, subject always to the limitations noted above.

The directors consider that the power proposed to be granted by resolutions 8 and 9 is necessary to retain flexibility, although they do not have any intention at the present time of exercising such power.

Unless revoked, varied or extended, the authorities conferred by resolutions 8 and 9 will expire on the earlier of 30 December 2019 and the conclusion of the next Annual General Meeting of the Company.

Resolution 10 (Market purchase of shares)

Under its articles of association and section 693 of the Companies Act 2006, the Company has power to purchase its own shares. Resolution 10 seeks approval to permit the directors, subject to certain limitations, to purchase shares in the market for cancellation and/or for holding in treasury. This authority would last for the period until the conclusion of the Company's Annual General Meeting to be held in 2019. Such authority would allow for purchases to be made on the terms set out in the Resolution of up to a maximum number of 1,713,554 ordinary shares (representing just under ten per cent of the present issued ordinary share capital). (A purchase of the proposed maximum of 1,713,554 ordinary shares at the share price of, for example, £3.50 would involve the Company in the expenditure of approximately £5,997,439 before stamp duty and commissions, and at the minimum permitted price would involve the expenditure, on the same basis, of £85,677.70).

The directors would use the share purchase authority with discretion and purchases would only be made from funds not required for other purposes and in the light of market conditions prevailing at the time. In reaching a decision to purchase any shares, your directors would take account of the Company's cash resources and capital, the effect of such purchase on the Company's business, any impact on earnings per share or on net tangible assets per share. No announcement will be made by the Company in advance of market purchases but any purchases made by the Company would be announced by 8.30a.m. on the business day next following the transaction.

In seeking this authority, the Board is not indicating any commitment to purchase ordinary shares. The authority, if conferred, will only be exercised if to do so would be in the best interests of shareholders generally.
